

SoyFoam™ TF-1122

8-oz bottles

8-oz bottles are packaged in 4-packs. One case contains 12 4-packs.

Add one 8-oz bottle to a 2.5-gallon canister and pressurize.

Keep product sealed when not in use.

Biodegradability of SoyFoam™ begins when mixed with water.

The shelf life after mixing under pressure is 90 days.
