

BONEDRY & PINKWATER

products save money, simplify operations

Market Street Ventures
offers a two punch solution
to handle all hydrocarbon
contaminates.

PINKWATER
HYDROCARBON MITIGATION AGENTTM

- Improves worker safety
- Versatile product; solves many problems
- **SAVES MONEY!** Very low treat cost
- Lowers inventory cost
- **SAVES TIME!** Works rapidly
- Reduces disposal cost
- Made in America and proven worldwide
- Long shelf life; >10 years!

**Born from the oil and gas industry,
BoneDry has proven effective in
the Maritime industry.**

- Specialty blends that target hydrocarbons while releasing water
- 10X more absorbent than clay or conventional absorbents
- Absorbs immediately on contact
- Non-toxic
- Easy to handle
- Non-abrasive
- Helps eliminate oil odors
- Non-leaching
- Non-carcinogenic
- Landfill-Friendly
- Waste minimization
- Improved safety and compliance

Products

- Superior drying agent without limitation.
- Extraordinary holding power for cleaning up spills of any oil or water base liquids.
- Works on any hard surface

- Instantly absorbs and encapsulates any hydrocarbon-based liquid.
- Will NOT absorb water.
- Removes oils but leaves the water behind
- Ideal for cleaning up oil in wet environments

Products

BONEDRY is sold in both loose material as well as products specifically designed for the maritime industry.

Loose:

- BONEDRY ALL - for all liquids
- BONEDRY HC - for hydrocarbons only

Booms:

- BONEDRY ALL - for all liquids
- BONEDRY HC - for hydrocarbons only
- Mini Bilge Boom
- Sock
- Unsinkable Containment Boom
 - Repels water. ONLY Absorbs Hydrocarbon.

Products

RadSorb Jugs

- Convenient, durable packaging.
- Easily refillable from a larger container
- Packaged 4 per case
- 54 cases per pallet

Products

BONEDRY 2 Cubic Ft Bags

- Large
- Easy to handle
- 10 X lighter than competition (clay-based absorbents).
- Absorbs more than 5 gallons of liquid
- Cost effective
- Easy to store and transport
- 60 bags per pallet

2 Cubic Ft Bags

Products

BONEDRY Resealable Bag 14" x 24"

- Durable, Ziplock-style closure
- Contains 5 pounds of absorbent product
- Absorbs more than 2 gallons of liquid
- Cost effective
- Easy to store and transport
- Packaged 3 to a case.

Products

BONEDRY Resealable Drum (20 Gallon)

- Large, durable, resealable container
- Absorbs more than 10 gallons of liquid
- It would take 400 pounds of clay absorbent to treat the same spill.
- Contains 38 pounds of absorbent product
- Cost effective
- Easy to store and transport
- 22 drums per pallet

**Resealable Drum
(20 Gallon)**

Products

BONEDRY Super Sack

- 74 Cubic Ft
- 39" x 47" x 74" high

An aerial photograph of a large oil spill on the ocean. The spill is a dark, viscous substance that has spread out, creating a large, irregular shape. A containment boom is visible in the lower right corner, a long, floating barrier used to contain the spill. A ship is positioned near the boom, likely involved in the cleanup operation. The surrounding water is a bright blue-green.

RadSorb™

UNSINKABLE BOOMS AND CONTAINMENT SOCKS

ABSORBS OIL SPILLS. NOT WATER.

Unsinkable Oil Absorbent Booms

- Unsinkable
- Absorbs Oil (hydrocarbons) only.
- Heavy-Duty Construction
