We are a non-profit  
society founded in 2024  
that is dedicated to

communities.

YOU  
ARE

## ABOUT US

We respect and honour the very  
roots of the Pride Movement in  
Medicine Hat and District.  
Started by Donny White, Charlie  
Thompson, and others, during  
the AIDS crisis in the early 1990s,  
the organization "Prairie Pride"  
brought together queer leaders  
in Medicine Hat and fought for  
understanding at a time when  
equality was far from a reality.

Charlie unfortunately passed  
away in the early 2000s and we  
pay respects to him and the  
others before us with our shared  
history and through our name  
"Prairie Pride Guild".

## CELEBRATE DIVERSITY

We strive to host and/or  
participate in **community**  
events, partner with other  
**community** agencies and  
educate and support the  
**community** to further the  
Pride Movement in  
Medicine Hat and District.  
We believe Pride is for  
Everyone!
