FUSION
ACADEMY
Newsletter

Happy Thursday! We have now recruited a receptionist/ admin assistant and two additional senior teaching assistants. We are also very nearly full for students next year – just waiting for the last few places to be finalised. How exciting! We have met lots of you over video call over the last few weeks and we cannot wait to meet you in person.

What should we call our classes?

We need your help naming our 4 classes next year. We have had some great suggestions so far. Thanks to all the students who have shared their ideas:

Callum:	**Henry:**
• Falcons • Eagles • Vultures • Pelicans	• Godzilla • Rodan • Ghidorah • Mothra
Harriet:	**Owen** had lots of ideas. Here are a few:
• Wolf • Fox • Tiger • Snake	• Animal names like American Football Teams • Astronaut names • Constellations • Planets • Nasa missions

If you have some ideas for our class names, please let us know by emailing:

Elyssa.Castleford@thefusionacademy.co.uk

School Uniform

Now they are open again, we have been talking to our school uniform supplier and telling them what we would like. They are putting together some examples and once we are happy, we will let you know how to order it.

A warm welcome to our Learning Support Assistants

Nicki

Hi I am Nicki and I am excited to be joining the brand new team at the new Fusion Academy, as a learning Support Assistant. I have worked as a Learning Support Assistant for the past 10 years in a MLD/SEN unit.

In my spare time, I love to go to dance fitness classes, especially Bollywood dancing and recently I have taken up Rock n Roll. I also enjoy going to my exercise class; hopefully it will back up and running again soon. I enjoy going out on my bike, doing crafts, cartoon drawing, colouring and meeting up with friends.

I love animals and at home we have a cheeky Chinchilla called Storm, Guinea Pigs (my two are called Peanut & Popcorn) and a Westie called Mac. I also like pottering in the garden.

I am looking forward to meeting the team and the students in this exciting new adventure and striving to be the best we can be.

Donna

Hello! I'm Donna, I'll be one of the Learning Support Assistants. I'm really looking forward to meeting all of you in the new term! Here's a little bit about me...

My favourite place to be is at the beach, even on a rainy day! We have a small caravan close to the coast and try to go there most weekends.

I love anything crafty and arty, and like to try my hand at most things where I can be creative.

I also like to spend lots of time outside, and go on walks as often as possible, my two crazy dogs love a bit of mud! I'm friendly, chatty, and a great listener. I'm really excited for us all to start on our new adventure together at The Fusion Academy.

Laura B

Hi my name is Laura. I have worked in education for the past 4 years working with lots of children and young people. I enjoy being in school because I love to help them to become independent.

In my spare time I love spending time with my family relaxing and having fun. I enjoy watching all kinds of sports and I am a keen runner and cyclist.

I'm really looking forward to meeting the new students and staff at The Fusion Academy.

Laura C

I am a recent psychology graduate, with an interest in child development and behaviour.

I'm a creative person who enjoys drawing and painting in my spare time. I have worked as a play worker for 6 years, where I often designed and led crafting and sports activities with children of all ages and abilities. I also enjoy being active outside and have a love of animals and plants.

I am very excited to start work at The Fusion Academy and am keen to meet the new students and staff. I aim to tailor my support to each individual student, to bring out the very best in their abilities.
