

21 May 2020

Welcome to another Fusion Academy Newsletter. This week, I am pleased to be able to introduce *two* new members of staff. We also have an update on our temporary site and details of our latest vacancies.

ELYSSA - PASTORAL AND INTERVENTION LEAD

Hi I'm Elyssa and I'm excited to be joining the team at The Fusion Academy as the new Pastoral and Intervention Lead.

I have worked both in schools and services to support children and young people with autism and I really enjoy finding engaging and creative ways to support each person achieve their goals.

In my spare time I enjoy being outside in the sunshine, watching sports and television and I especially enjoy day trips visiting new places.

I'm very much looking forward to joining this exciting new school and to meeting the team and our new students.

Although most new staff will not join us properly until next academic year, Elyssa will begin working for us in a few weeks. One of her first tasks will be getting to know the needs of our new students and planning the best ways to support their transitions into our new school.

WORK HAS STARTED ON OUR TEMPORARY SITE

As explained in an earlier newsletter, The Fusion Academy will initially be opening in a temporary site in Hinckley. This is due to delays caused by Coronavirus. A builder has now started work on this site and is working hard to ensure it is fit for purpose, ready for the new school year.

TOM - TEACHER

Hello, I'm Tom. I've been teaching IT and Computer Science in secondary schools around Leicestershire since 2010. I've also taught, and have a keen interest in, maths, history and DT. In school I like to run all sorts of clubs from computing to rugby as I believe so many different skills can be developed outside of lessons.

In my spare time I enjoy building all sorts of things out of wood (or lego), playing guitar and programming computer games. I love exploring and going to new places, and have helped with Duke of Edinburgh walks in my previous schools. I'm a big fan of rugby and its values, cycling and trying new sports.

I can't wait to start working with a brand new team to make The Fusion Academy a success. It'll be a great achievement for everyone involved and I'm really keen to get stuck in and work with the new students and staff.

RECRUITMENT

We are currently recruiting for Senior Teaching Assistants and Learning Support Assistants. If you are interested, details can be found on the 'vacancies' section of our school website:
