

02 July 2020

Hello everyone, everything is coming together very nicely at The Fusion Academy. We have now sent parent and pupil packs out to our new starters and have started to meet with parents over video call. Not long now!

*These packs can also be accessed electronically through our school website (under 'School Policies').*

### SO MUCH EQUIPMENT TO ORDER!

We have started to make lists of all the equipment we need to order and there is lots of it! We have had to think about all the science equipment for our lab, pens and pencils, cups and plates, tables and chairs...

Let's hope we don't forget anything!

### KEEP IN TOUCH

Although we cannot meet face-to-face yet, we are here at the end of an email or phone and are happy to talk to you at any time.

Please get in touch if you have any questions or would like to chat about the new school: [enquiries@thefusionacademy.co.uk](mailto:enquiries@thefusionacademy.co.uk)

## 3 NEW SENIOR TEACHING ASSISTANTS!

A very warm welcome to our new Senior Teaching Assistants: Jan, Annabelle and Kristi. They have a wealth of experience between them and will be a great addition to the team. We are interviewing again this week for a fourth Senior Teaching Assistant who will join them soon.

### Jan

I've been a Teaching Assistant at a secondary school working with SEN students for several years and previous to this I delivered after school maths clubs around Leicestershire and surrounding counties. I love engaging students in learning in a fun and creative way.

In my spare time I take part in amateur dramatics and will often appear on stage. I also enjoy walking my dog and I love escaping into a good book.

I am so excited to be part of The Fusion Academy and I'm looking forward to building relationships with our pupils that can help them reach their true potential.

### Annabelle

I've been working for the NHS for the last 2 years and before this I have worked in multiple jobs including some time spent in a secondary school art class and even down to preschool nursery!

In my spare time I love to cook, draw and spend time with my family. We love going on mini adventures and exploring new places. My step sons keep me on my toes!

I hope my positive energy and creative thinking will help all the new students at The Fusion Academy feel settled and happy.

### Kristi

Since gaining my degree in Dance, Performance & Teaching, I have had the pleasure of working with a huge variety of children, in both community and educational settings. My students' well-being is always at the heart of my practice, and I enjoy finding creative solutions to ensure that activities are inclusive and enjoyable.

In my spare time I enjoy exercising, attending live music and theatre performances, and experimenting with new food (both cooking and eating!) I am also a keen traveller and love visiting new places around the world, discovering different cultures and experiencing their ways of life.

I am thrilled to be joining the team at The Fusion Academy. I am really looking forward to seeing how we can work together to support and encourage our young people in reaching their full potential.
