

# 81<sup>st</sup> ANNUAL TRI-STATE THORACIC SOCIETY CONFERENCE September 11-12, 2026

The annual conference will present lectures and case studies allowing learners to achieve enhanced medical knowledge in patient care and procedural skills. Question and answer sessions will follow each presentation.

Conference learning objectives:

- ✓ Identify common and rare diagnostic or management dilemmas in thoracic medicine.
- ✓ Recognize common and atypical radiologic and pathologic features of specific thoracic diseases.
- ✓ Compare and contrast areas of weak or strong evidence in the diagnosis or management of specific thoracic diseases.

Registration Deadline: August 15, 2026

For registration forms, visit our website:
