Description

Carver built this Aft-Cabin model from 1983 and it still remains one of their most popular midsize models. Built on a solid fiberglass hull, she is a very roomy double-cabin cruiser with comfortable accommodations and extra living space on the aft deck with the hard top.

Forward there is a private stateroom with large V-berth, hanging locker and abundant storage. Her galley down is huge and offers a refrigerator, electric stove, sink with hot & cold pressure water system, and extra lighting that has been added. The forward private enclosed head features a separate shower stall, electric marine toilet with holding tank, sink with vanity and ample storage. Her main salon is large and features wrap around abundant windows that allow plenty of natural light. She has carpet floors in her salon for easy care and cleaning.

Aft and down from the salon is a second private stateroom that sleeps 2 in twin berths and features two hanging lockers. There are 2 custom teak lockers.

She's ready for her next family and is truly one of the cleanest and best cared-for vessels on the market today.

Additional Features

1. Swim deck shower
2. New Nylon Carpet exterior
3. All lines and bumpers
4. Rear view camera for docking
