Description

This all Canadian Alcan 270 comes as a new concept in boat design, combining the performance demanded by experienced mariners with safety, comfort and ease of handling required by those who are on lookout for floating holiday home.

With sleeping accommodation up to 6 people- three divided bedrooms can be made all with access to the head: L-shaped convertible seat in pilothouse sleeps 2.

Dinette and Settee in the rear convertible to Sleeping Accommodations for Four

Heavy gauge Aluminum that is tough, resistant to corrosion, and virtually maintenance free.

The high freeboard of the boat, 4.5 feet forward to 3 feet at the transom combined with a modified V bottom is a hull design that will give you confidence when running in bad weather. High gunwales around the deck help prevent articles being lost overboard. Its relatively shallow draft, 30 inches with outdrives lowered, permits sailing in shallow waters and clearance of many underwater obstacles.

Owner is negotiable
