

30 DAYS OF BRIDGING AFFIRMATIONS

www.jennimarshall.com

GUIDE FOR SUCCESS

1

Find ten minutes of quiet time when you won't be interrupted

2

Choose an affirmation that resonates with you today

3

Say it internally to yourself 5 times

4

Say it out loud 5 times - I know this can feel weird but keep at it

5

Spend 3-5 minutes visualising who you are when you believe the affirmation

6

Find a time each day that works for you so you can repeat this daily
(and don't worry if you miss some days)

30 DAYS OF BRIDGING AFFIRMATIONS

www.jennimarshall.com

I am becoming a person who is in control of my financial destiny

I am learning to let money flow to me easily and effortlessly

I am growing into someone who is worthy of financial abundance

I am open to making smart financial decisions every day

I am developing the mindset to attract wealth and prosperity

Each day I embrace the fact that my income is constantly increasing

I am becoming a person who is financially free and secure

I am learning to manage my money wisely

I am growing into someone who deserves to be paid well for my work

I am open to the belief that my financial future is bright and prosperous

I am developing the ability to attract opportunities for wealth and success

Each day I embrace being open to receiving money in unexpected ways

I am becoming a person who releases all limiting beliefs about money

I am growing into someone who is a magnet for financial blessings

I am learning to let my wealth constantly grow

I am open to creating multiple streams of income

I am developing the habit of saving and investing my money wisely

Each day I embrace my confidence in making financial decisions

I am becoming a person who is grateful for my current and future wealth

I am learning to believe that my financial goals are within reach

I am growing into someone who deserves a life of financial freedom

I am open to attracting success in all financial endeavours

I am developing habits to manage my spending and saving

Each day I embrace new ways of making money

I am becoming a person whose bank account is growing every day

I am learning to be financially independent

I am growing into someone who attracts wealth by being my authentic self

I am open to believing that I am worthy of financial success.

I am developing the ability to attract new sources of income

Each day I embrace the wisdom and grace to handle financial challenges
