

Ison's Family Pizza and Top This! are excited to introduce our new mobile soft serve treat truck.

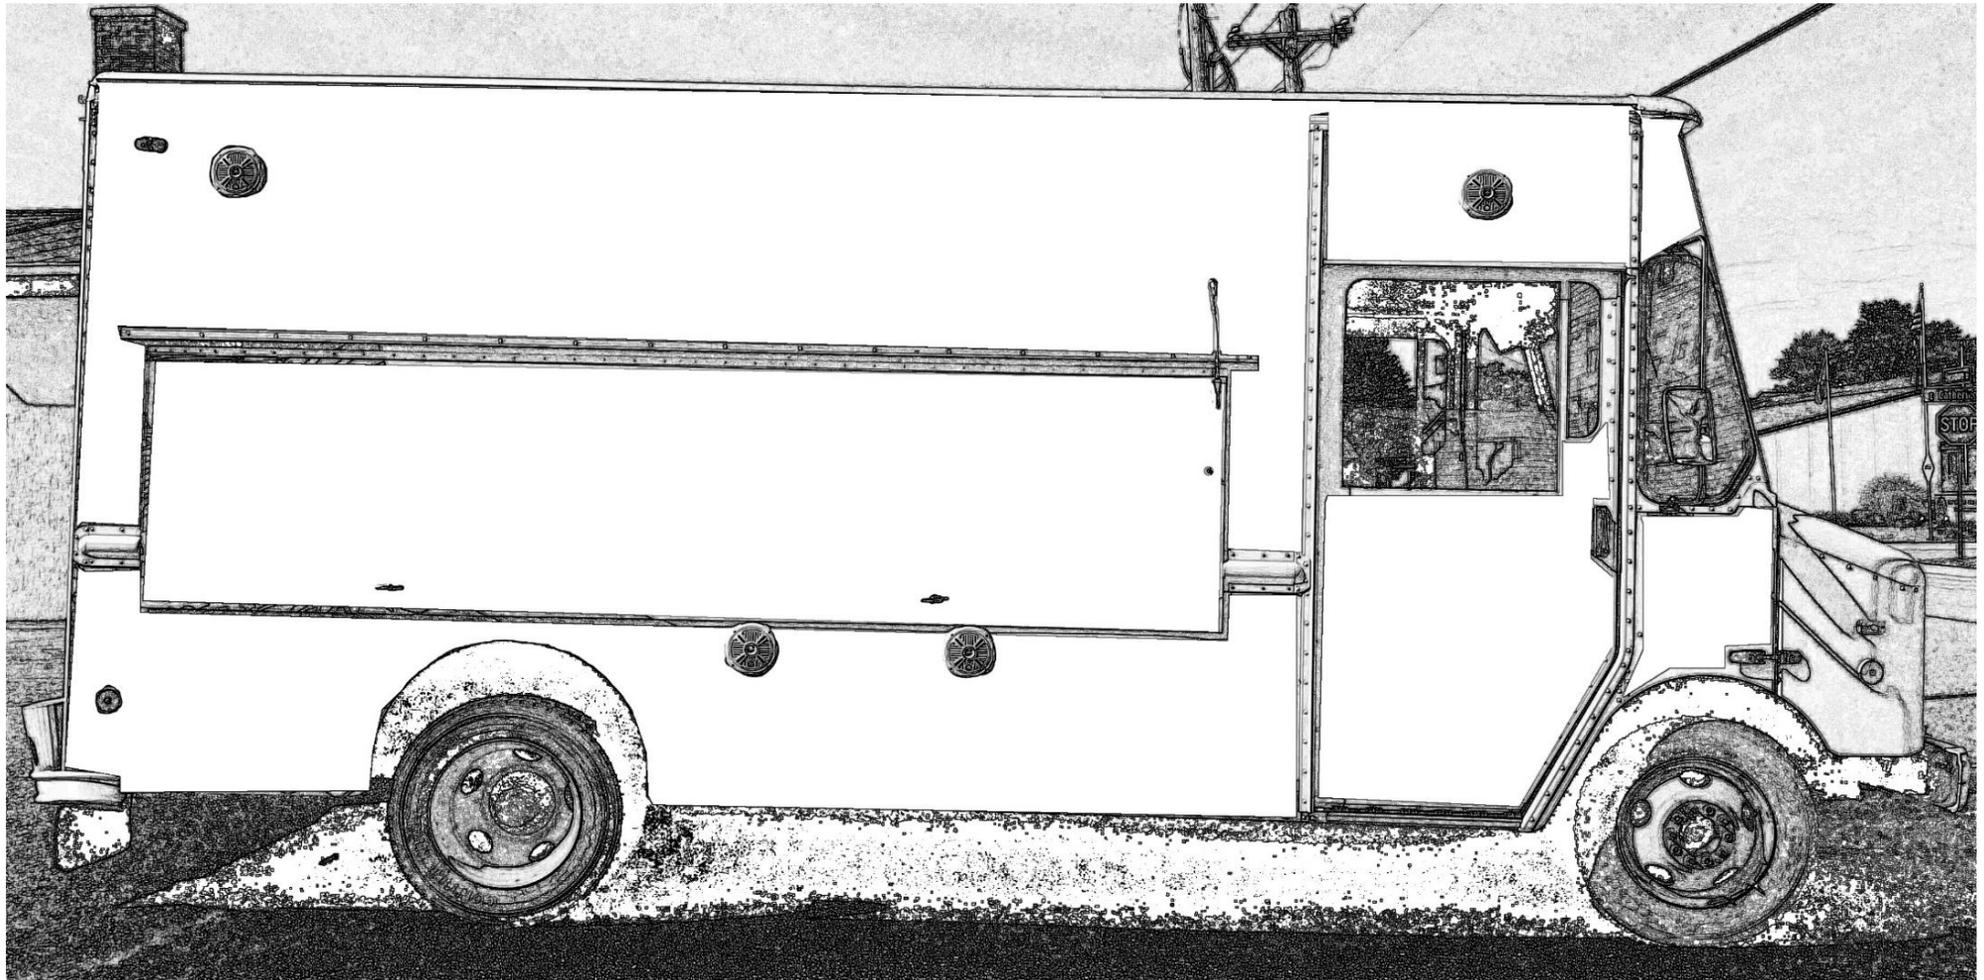

We would like to get some design ideas straight from the community we love to serve. Please submit your design to topthis.froyo@yahoo.com or print and drop off at Ison's Family Pizza/Top This! 117 E. George St. Downtown Batesville. Each entry is a chance for us to visit your neighborhood to deliver free treats. All entries become property of Ison's Family Pizza and may be considered for our final design without compensation or liability.
