## QuickBooks Clean-Ups

**Service Description:** Many small businesses struggle with unorganized or outdated bookkeeping, especially in construction.

Weeks Business Solutions Corp. offers expert **QuickBooks Clean-Ups** and/or **Sage Peachtree Clean-Ups** that bring financial records into order, ensuring accuracy, compliance, and profitability insights.

We will:

- Reconciling all accounts (bank, credit card, loans, etc.)
- Correcting the Chart of Accounts structure
- Cleaning up undeposited funds and uncleared transactions
- Reclassifying miscategorized income and expenses
- Matching job costs to correct projects and classes
- Aligning your books with current GAAP standards

**Why it matters:** *Clean, accurate financials **allow you** to confidently apply for loans, secure bonding, pass audits, and make strategic decisions.*
