

SUMMER CAMP

Registration

Dear Parents,

At this time we'd like to let you know that our Summer Camp registration is open for the 2024 July & August program. We would like to invite you to register your child or children at this time. Availability is on a first come first serve basis. We cannot guarantee your child a place in our program unless registered. Spots fill quickly. We are limited to the amount of children due to ratios and field house space, so please register early as to secure your child's place.

This Summer our program will run from July 2 - August 30th. Our summer program teachers are looking forwards to providing an engaging, fun filled summer with your children, including daily park activities, community visits, field trips and some super cool theme weeks.

We will be providing our programming schedule as we get closer to summer. Please don't hesitate to contact our directors Sue Tolley and Kathleen Carlson should you have any questions.

Please check back here for upcoming summer program information. We look forward to your children joining us for the summer of 2024 at Laugh 'N' Learn.

To register for this year's summer program call the number below or email the program. Our intake form will then be sent out to you. Please drop your registration off at the field house during regular scheduled program hours. We will secure your child's spot once all registration forms and payments are complete.
