

SCOTTSDALE PEDIATRIC CENTER, P.C.

Fellows of the American Academy of Pediatrics

RUSSELLE WALLACE, M.D.

WENDY KAYE, M.D.

TRACI L. HURLEY, M.D.

Dear Parents and Patients:

We are writing this letter to you with mixed emotions. We are announcing our retirement from active practice and the closing of Scottsdale Pediatric Center effective February 11, 2022. This has not been an easy decision, as caring for our patients has been a great source of satisfaction and pleasure these past years. Thank you for entrusting us with your medical care and the care of your families.

We strongly urge all our families to establish a relationship with a new physician as we will be unable to continue care or renew prescriptions after February 11, 2022. It is important to establish a relationship with a new physician prior to this date, especially for children who are on chronic medications.

We will continue to have full office hours until our closing. We hope to see those patients due for well visits prior to February and of course will be available to provide any other medical care needed. Please do not hesitate to contact our office.

Our desire is that the closure of our practice be as easy on our patients and their families as possible. We have attached a list of physicians in the area that you may want to consider. You can also contact your insurance provider to get assistance with finding a new physician covered under your insurance policy or the Arizona Medical Board at (480) 551-2700 for a list of pediatricians.

Scottsdale Pediatric Center will make your medical record available to the physician you designate. Since the contents of medical records are protected and confidential, we request your written authorization to make them available to another physician. For this reason, we are attaching the authorization form to this letter.

Please complete the form and return it to our office by February 11, 2022.

After February 11, 2022 all patient records will be sent to Desert River Solutions to be the custodian of medical records.

Starting on February 14, 2022 you can start requesting your medical records from Desert River Solutions by visiting their webpage to sign and return the medical release form. All instructions are on that webpage: www.DesertRiverSolutions.com/requests-spc

Below are other contacts for Desert River Solutions:

Phone: (480) 577-3150 | Fax: (520) 214-0068 | Email: requests@DesertRiverSolutions.com

We greatly value our relationships with you, our patients, and families, more than we can express in words. Thank you for the many years of loyalty and friendship. We extend our best wishes for your future health and happiness.

Sincerely,

Russelle Wallace, M.D.

Wendy D. Kaye, M.D.

Traci Hurley, M.D.
