

SECURECARE DENTAL COVERED CODES

No benefits will be payable for any procedure begun, or appliance installed, before the patient becomes covered under the policy, and any applicable Waiting Period has been satisfied. Final determination of benefits payable will be made at the time a claim is submitted and is subject to review of necessary dental records or other information.

Some services are subject to Frequency, Waiting Period, Deductible, Copay and/or Coinsurance. SecureCare recommends submitting a pretreatment review if services will be over \$300.

Endodontic and Periodontic services may be covered as Type II or Type III services depending on plan benefits. Please refer to Page 1 of the Eligibility form or your Schedule of Dental Benefits for specific information.

This list of codes does not constitute a guarantee of claim payment.
