FREE ONE-YEAR BREAKAGE WARRANTY

All eyeglasses come with a breakage warranty for repair or replacement of the frame and/or lenses for a period of one year from the date of delivery. The one-year breakage warranty applies to all plan-covered eyeglasses (i.e., all spectacle lenses, Exclusive Collection frames and national retailer frames, where our Exclusive Collection is not displayed).

SCRATCH PROTECTION PLAN

Standard scratch-resistant coating is available for plastic lenses free of charge. Members may also purchase an optional scratch protection plan, which will replace scratched lenses with new lenses of the same material, style and prescription at no charge for one year from the original date of dispensing.

LOW VISION COVERAGE

Members who require low-vision services and optical devices are entitled to the following coverage, both in and out-of-network, with prior approval from Davis Vision:

- **Low Vision Evaluation:** One comprehensive low vision evaluation every five years, with a maximum charge of \$300. This examination, sometimes called a functional vision assessment, can determine distance and clarity of vision, the size of readable print, the existence of blind spots or tunnel vision, depth perception, eye-hand coordination, problems perceiving contrast and lighting requirements for optimum vision.
- **Low Vision Aids:** Maximum allowance of \$600 with a lifetime maximum of \$1,200 for items such as high- power spectacles, magnifiers and telescopes. These devices are utilized to maximize use of available vision, reduce problems of glare or increase contrast perception, based on the individual's visual goals and lifestyle needs.
- **Follow Up Care:** Four visits in any five-year period, with a maximum charge of \$100 for each visit.

MORE COVERED FRAMES

In lieu of the frame allowance, members may choose to select any frame from Davis Vision's Exclusive Collection. The Collection is available at most participating independent provider offices and features three levels of frames: Fashion, Designer and Premier. By selecting a Collection frame, member eyewear is often completely covered. In fact, approximately 7 out of 10 members take advantage of the tremendous savings by selecting a Davis Vision Exclusive Collection frame.¹

MORE COVERED CONTACT LENSES

In addition to the allowance, members may be fitted with contact lenses from our Contact Lens Collection¹, which includes torics and multifocals. All Collection contact lenses are covered in full up to the plan-specified amount and include evaluation, fitting and follow-up care. Davis Vision also covers the cost in full for contact lenses that are determined as medically-necessary in the treatment of the following conditions: Keratoconus, Anisometropia, Corneal Disorders, Pathological Myopia, Aniseikonia, Post-Traumatic Disorders, Aphakia, Aniridia and Irregular Astigmatism. In general, medically-necessary contact lenses may be prescribed in lieu of eyeglasses, when it will result in significantly better visual acuity and/or improved binocular function, including avoidance of diplopia or suppression.
