

ROOF GRADES AS OF THE 9TH OF OCTOBER

WELL ... HERE WE GO!

The last meeting of the year quickly approaches.

Here's a points breakdown for the formulas as they stand on the points table going into the last races. let's see those final battles for positions, who is your money on?

JUNIORS

Currently in 1st place with an impressive 408 points is car 008.

Currently in 2nd place with 309 points is car 999.

The battle is on for 3rd place with car 442 with 188 points, closely followed by teammate and current chequered roof champion 447 with 185 points.

FWD

Currently 1st place is tied between cars 126 and 612 both holding 180 points.

Currently in 3rd place is car 46 with 162 points.

This formula promises to be close up to the very finish!

RWD

Currently in 1st place with 322 points is car 118.

Currently in 2nd place having missed two meetings due to injury is car 597 with 212 points.

Currently just 4 points behind in 3rd place is car 121 with 208 points.

HOTRODS

Currently in 1st place with 351 points is car 142.

Currently in 2nd place with 304 points is car 203.

Currently in 3rd place with hopes of closing the gap at 289 points is car 814.

With the banger drivers competing for the Greatest Hits Challenge Cup, car 28 is marginally ahead with cars 551, 699 and 707 each just one entertainer's trophy or DD win behind. It's still all to play for and the only way to be the winner is to put on the best show on the day. The decider of who will

take home the trophy at the end of the season will be decided at the last meeting of the year!

Tremendously exciting, who do you have your bet on? Its set to be another fantastic end to a season.

As we enter the last meeting here are the updated licence holder roof grades:

rwd-
