APPROVAL OF MINUTES

CHIEF EXECUTIVE OFFICER/SPCCA STAFF REPORT

SPCCA Spring 2026 Enrollment Update

Ms. Jamey Collins shared an update on spring enrollment. Spring enrollment numbers are strong, with 160 students enrolled in SPCCA classes this semester, compared to 131 students during the spring of 2025. A chart was provided showing a breakdown of enrollment by program and county. Ms. Collins expressed excitement about the continued growth of SPCCA and appreciation for the partnering high schools and CPTC for their ongoing support in expanding the programs.

SPCCA FY27 Program Flyer

Ms. Jamey Collins shared the SPCCA FY27 Program Flyer with the Board. She noted that the programs offered are the same as last year with the exception of Timber Harvesting. Due to a lack of student interest over the past several years and difficulty securing an instructor, Coastal Pines requested that this program be removed.

SPCCA Fall 2026 and Spring 2027 Schedule

Ms. Jamey Collins shared the Fall 2026 and Spring 2027 SPCCA schedule with the Board. The schedule has been approved by CPTC and shared with the partnering high schools. As always, minor adjustments may be made as student interest is gauged following the high school registration process.

New Program Video

Ms. Jamey Collins shared with the Board that two new program videos are available to be showcased and identified the videos as NCCER Basic Electrical Systems Technician and Salon and Spa Support Specialist. She thanked CPTC for their assistance in completing the videos, noting that they are a valuable tool for marketing the programs. Ms. Collins then presented the videos to the Board.

Student Tours

Ms. Jamey Collins shared with the Board that since the last meeting in December, SPCCA and CPTC have hosted a large number of students for campus tours. This included the remaining half of Appling County's 9th grade students and the remaining half of Jeff Davis County's 10th grade students. Students expressed strong interest in the programs after seeing them firsthand, and positive feedback was received regarding future enrollment. Ms. Collins also noted that Bacon County plans to send 8th grade students for tours later this month.

Spring Student Orientation

Ms. Jamey Collins shared that spring orientation has been completed for each class. During orientation, emphasis was placed on the importance of attendance, communication, and appropriate behavior. Students were also asked to join the SPCCA REMIND group, which is used to send announcements, reminders, and individual messages as needed.

NEXT MEETING DATE

The next Board of Directors' meeting is scheduled for April 1, 2026, at 1:30 p.m.

ADJOURNMENT

There being no further business, the meeting was adjourned at 2:44 p.m.
