

Katie Kenlan

Election Day: November 8th
Early voting Oct 20th - Nov 5th

Dear Friend,

My name is Katie Kenlan, and I am running for Chatham County Commissioner. As a lifelong Chatham County resident, I could not help but be influenced by my parents' well-known activism in our extraordinary community. Their mission, which I am committed to continue, has been to protect our natural resources and our quality of life.

I intend to build a future based on the foundation laid by not only my parents, but other Chatham County leaders over the last decade.

As an educator, I understand the need for excellent education that serves all. However, in addition to education, our quality of life is the groundwork for a healthy, prosperous and viable community. That means your commissioners must be committed to smart growth with sustainable infrastructure. Among these goals should be: available, affordable housing; safe drinking water and viable water/sewer for our citizens; and a diversified tax base welcoming the farmer, the entrepreneur and high-tech corporations. **This is the vision of Chatham County that I will work for as your commissioner.**

To do this, I need your help. To allow for my election, a viable campaign in Chatham County takes thousands of dollars. If you entrust me with your donation, I will work tirelessly over the next months to reach out to the community directly, via mailings, canvassing, and in-person and virtual events. There is only a short time before early voting begins on October 20th; your support will be crucial to my campaign's success. To donate, please go to [KatieKenlan.com/donate](https://www.KatieKenlan.com/donate). You can also send a check made out to **Katie Kenlan for County Commissioner** and mail it to: Katie Kenlan, 1076 Rock Rest Road, Pittsboro, NC 27312.

I'd love to meet with you soon! Until then, I humbly ask for your support and your vote. I hope you'll join me.

A handwritten signature in black ink that reads "Katie Kenlan". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
