Investment Products:

- *Not FDIC Insured*
- *No Bank Guarantee*
- *May Lose Value*

The performance data quoted represents past performance; past performance does not guarantee future results; the investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost and current performance may be lower or higher than the performance data quoted. Performance data current to month end available at www.m3sixtyfunds.com.

You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. The Fund may impose a fee upon sale of your shares. An investment in the Fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor is not required to reimburse the Fund for losses, and you should not expect that the sponsor will provide financial support to the Fund at any time, including during periods of market stress.

Trading and Liquidity. Shares of the Fund are not traded on an exchange. Investors may purchase or redeem shares directly through authorized financial intermediaries or platforms approved by M3Sixty Capital. Transactions are processed at the Fund's net asset value (NAV), which the Fund seeks to maintain at \$1.00 per share.

Risks Associated with Blockchain Networks. The Fund may utilize blockchain technology for recordkeeping or operational purposes. While blockchain offers potential benefits such as transparency and efficiency, it also presents risks including cybersecurity vulnerabilities, regulatory uncertainty, and potential technological failures. Investors should be aware that reliance on blockchain infrastructure may expose the Fund to operational and systemic risks.
