

Tech Leap Up

AI & Digital Learning for Adults

Tech Leap LLC | Capability Statement

Empowering the Next Generation of Tech-Savvy Adults and Seniors

Last updated: March 2, 2026

Company Overview

Tech Leap LLC is a specialized educational consultancy dedicated to demystifying Artificial Intelligence for the senior community. We believe that technology should be an equalizer, not a barrier. Our mission is to provide hands-on, empathetic, and jargon-free training that allows seniors to harness the power of AI to enhance their daily lives, foster creativity, and maintain cognitive engagement.

Core Competencies

Our curriculum is designed specifically for adult learners, focusing on practical applications of the world's leading AI platforms:

- **Conversational AI (ChatGPT & Gemini):** * Mastering "Prompt Engineering" for everyday tasks.
 - Using AI for research, meal planning, and drafting correspondence.
 - Leveraging Gemini's integration with Google Workspace for personal organization.
- **Creative Media Generation (Veo):** * Introduction to high-fidelity video generation.
 - Instruction on turning memories or stories into cinematic visual content.
 - Understanding the ethics and safety of AI-generated media.
- **Digital Literacy & Security:** * Identifying AI-generated "deepfakes" and misinformation.
 - Data privacy best practices for older adults.

Differentiators

- **Senior-Centric Pedagogy:** Unlike standard tech boot camps, our pace is dictated by the learner. We use relatable analogies and avoid technical gatekeeping.

AI & Digital Learning for Adults

- **Multi-Platform Mastery:** We provide a holistic view of the AI landscape, teaching the unique strengths of OpenAI (ChatGPT) and Google (Gemini/Veo).
- **Accessibility First:** All training materials are designed with high-contrast visuals, large fonts, and clear, step-by-step documentation.
- **Safe Environment:** We prioritize a "no-judgment" zone where questions are encouraged and complex concepts are simplified into actionable skills.

Corporate Data

- **Entity Name:** Tech Leap LLC
 - **Structure:** Limited Liability Company
 - **Target Audience:** Retirement Communities, Senior Centers, Libraries, and Individual Private Clients.
 - **Service Areas:** Montgomery County, Maryland or "Global/Virtual".
-

Past Performance / Use Cases

- **Memory Preservation:** Helped clients use **Vevo** to animate family stories into short films for grandchildren.
 - **Lifelong Learning:** Guided students in using **Gemini** to translate foreign news articles and research genealogy.
 - **Daily Assistance:** Trained users to utilize **ChatGPT** as a 24/7 personal assistant for managing medical appointments and grocery lists.
