Prevent policy

Purpose: Prevent Statutory Duty

Section 26(1) of the Counter-Terrorism and Security Act 2015 (CTSA) imposes a statutory duty on “specified authorities”, when exercising their functions, “to have due regard to the need to prevent people from being drawn into terrorism”. Skills Providers within the FE sector are classed as Specified Authorities.

The CTSA goes on to say “There is an important role for further education institutions, including independent training providers, in helping prevent people being drawn into terrorism, which includes not just violent extremism but also nonviolent extremism, which can create an atmosphere conducive to terrorism and can popularise views which terrorists exploit. It is a condition of funding that all further education and independent training providers must comply with relevant legislation and any statutory responsibilities associated with the delivery of education and safeguarding of learners”.

The Directors recognise it has a statutory and moral duty to ensure that HB Academy functions with a view to safeguarding and promoting the welfare of ALL learners receiving education and training through us. HB Academy’s Prevent Policy is approved by The Directors.

Introduction to Prevent

The government's strategy for countering terrorism CONTEST strategy is split into 4 areas: Pursue, Protect, Prepare & Prevent. All institutions are obliged to comply with the Prevent Duty under the Counter Terrorism Act 2015.

The Prevent strategic objective is to stop people from becoming or supporting terrorists or radicalisation and challenge all forms of terrorism, including the influence from far-right extremist groups. The Prevent duty is to protect people from all streams of extremist activity and not solely aimed at one specific group.

The Prevent strategy has 3 key objectives and will specifically:

- Respond to the ideological challenge of terrorism and the threat we face from those who promote it
- Prevent people from being drawn into terrorism and ensure that they are given appropriate advice & support
- Work with sectors and institutions where there is a risk of radicalisation which we need to address

Within the Home Office Prevent Duty guidance document, it sets out very clear expectations and responsibilities of board members, leaders, managers and staff. Some of these are detailed below –

“We expect active engagement from boards, managers, leaders & staff with other partners including the police and regional Prevent coordinators”

“We expect institutions to demonstrate that they undertake appropriate training & development for boards, leaders, managers & staff”

“Where Ofsted finds a publicly funded provider inadequate, action will be taken. In the case of private training providers this is likely to result in their contract being terminated”.

Prevent is part of safeguarding learners and all providers have a duty to safeguard their learners from all aspects of abuse, exploitation and radicalisation. Implementing the Prevent Duty can be a sensitive issue for some learners & communities and it is important to reiterate this is not about spying on learners or staff or about stopping conversations on controversial or sensitive topics. The Prevent Duty is intended to safeguard providers, learners & staff from being exposed to exploitation or radicalisation and to support the discussion and understanding of complex and controversial issues.

Objectives:

The objectives of Safeguarding are to help keep all learners safe through:

1. The provision of a safe and healthy environment for learners in which to learn effectively
2. Delivering an appropriate safeguarding curriculum through tutorial and learning programmes
3. Ensuring Human Resources policies and procedures contain effective safeguarding measures

4. Appropriately meeting the needs of vulnerable learners (those at risk of not achieving due to negative external factors or non-academic issues such as homelessness, cared for, care leavers or anyone that has required a risk assessment.)
5. Providing staff with safeguarding training consistent with their responsibilities.
6. Having appropriate measures in place to challenge and minimise the impact of bullying and harassment
7. Dealing effectively with concerns relating to the protection of children and adults at risk, including having due regard to the need to prevent people from being drawn into terrorism
8. Providing an effective referral mechanism for reporting and support, both internal and external

Clearly, the Prevent duty is a significant part of our overall safeguarding responsibility, with key accountabilities outlined below:

Directors responsibilities under the Prevent Duty –

The protected characteristics in the Equality Act are –

Tutors will be expected to understand & embed British Values into all of our delivery journeys to ensure learners are aware of them, can evidence & exemplify them & understand what it means to be a successful learner and take part in life in a modern, British society.

Learners will also be required to understand how to keep themselves protected from risks associated with radicalisation, extremism, forms of abuse, grooming, bullying & staying safe online.

HB Academy are also expected to work with employers to ensure learners are not exposed to risks associated with any of the above and adequate awareness of Prevent & British Values has taken place with workplace mentors, line managers or HR.

HB Academy and other training providers must have an open culture which allows freedom of speech and exploration of issues that affect learners locally, nationally and internationally. Providers are to operate a safe place for learners to communicate, but provide challenge where views or discussions become offensive, extreme or upsetting to others.

HB Academy will provide a curriculum that promotes knowledge, skills and understanding to build the resilience of students, by undermining extremist ideology and supporting the learner voice. This will be achieved through:

- Embedding equality, diversity and inclusion, wellbeing and community cohesion
- Promoting wider skills development such as social and emotional aspects of modern life
- A curriculum adapted to recognise local needs, challenge extremist narratives and promote universal rights through engaging with young people and adults; and building resilience

The directors are committed to review this policy on an annual basis, or earlier, if there are significant changes in the landscape and associated legislation passed.
