Construction, Remodeling & Demolition Waste

Boise County Solid Waste provides homeowners and contractors with C&D disposal options for waste generated over and above household waste. C&D is an extraordinary item which incurs additional expenses for disposal and additional fees will be charged.

LOADS THAT DO NOT FOLLOW SOLID WASTE C&D REQUIREMENTS MAY BE REJECTED

C&D Loads over 4 cubic yards per household per day will NOT be accepted at the Garden Valley, Idaho City, or Lowman Transfer stations. Loads over 4 cubic yards will be accepted at the Horseshoe Bend Transfer Station only.

TIPPING FLOOR Horseshoe Bend Only
Idaho City, Garden Valley, & Lowman are hand offloaded by customers and not by site attendants.

Secure Your Load

It's the Law

It Saves Lives

It's Litter

It can cost you money

Use tarps, netting, straps, and rope to secure your load when driving.

This is a General List

Specific items may not qualify

C&D co-mingled with household waste will be charged the appropriate C&D rates at the discretion of site attendants.
