No old Business.

New Business:

The speed control sign - there was some discussion regarding moving the county-supplied speed control sign currently located adjacent to the mail boxes to other locations in the neighborhood. The SRD is looking into acquiring a solar-powered sign that would permanently sit upon a post. Data acquired by the county-provided sign will be shared by the SRD in the future.

There has been a sign-post replacement at the corner of Yellow Pine and Fall River Drive, to fix the one that was knocked down.

The SRD spent \$20 on supplies during the period from July 14-August 11.k

The SRD will be contacting the County for crack repair on the Fall River Estates bridge.

Meeting was adjourned.

Respectfully Submitted
