REQUESTOR TO READ AND SIGN UPON SUBMITTING REQUEST

I understand that every person has a right to inspect any public record of a public body in this state, except as otherwise expressly provided by ORS 192.501 to 192.505. Further, I understand that fees may be charged to reimburse the District for its actual costs in making the records available. Such calculation may include staff time, costs for summarizing, compiling, or tailoring a record to meet my request. Copies of large documents are sometimes taken to a commercial copy business. For those documents, the fee will be actual cost plus staff time. I hereby request that the District produce, as best to the District's ability, the records specified above. Any fees must be paid prior to release of the record(s) requested. A deposit for fees, based on the estimated cost, will be required for any estimate above \$25.00. For estimates above \$25.00, the District will provide a written estimate of the cost, and will seek confirmation to proceed or cancel the request. I understand that if the fee is not paid or additional requested information is not provided within 60 days, the request will be closed.

The District does not charge fees at this time (December 2019). This section will be modified if/when the District decides to impose fees for reimbursement for actual costs.

Procedure for Public Records Request

1. Complete and return the Records Request form with as much detailed information as you can.
 2. When/If the District decides to impose fees, The District will provide a written cost estimate and **MUST** receive confirmation that you want the District to proceed with your request.
 3. The District will contact you with the estimate and a time the records will be available for inspection.
 4. If you request to inspect records, you will be informed of the next available time for such inspection. A place for **ONE** person to review the files will be provided. One file at a time will be made available. When you are through with the file, return it to receive the next file. Any pages to be copied should be marked with sticky notes provided by District.
 5. When you complete your inspection, return the last file. If staff is available, requested pages will be copied at that time. If staff is not available, you will be informed via your preferred method of contact once staff has copied the requested pages.
 6. If more than one person wants to review your requested records at the same time, reservations must be made in advance for a conference room
