New Business

- The SRD is investigating the issue of the ATT tower on the property of the Meier Estate. This involves the SRD because of the need to access the tower for construction and maintenance via Fall River SRD roads. An update on the application status was presented. The application has been deemed incomplete and a hearing is planned but yet to be scheduled.

- A discussion followed on whether the rubber tire asphalt project in Bend would be appropriate for Fall River in the future. The board will keep informed on the progress of the project in Bend.

- The board decided for 2021 to appoint Ron Brown as President, Rick Bestwick as Secretary and Bill Swanson as Treasurer.

The meeting was adjourned at 3:25 pm.

Respectfully submitted,
