- Current balance: \$49,588,.70,

**Discussion about commercial trucks and firewood hauling through Fall River:**

- Rick Bestwick relayed his conversation with Steve Castillo of the Prineville BLM office. It appears that these trucks are not part of the official BLM authorized clearing project, but rather private citizens who have received permits to salvage wood after the project had been completed.
- Mr. Castillo has given instructions to the permit holders that our roads are privately owned and are not to be used as an entrance or exit to the BLM land.
- Mr. Bestwick repeated that Fall River residents may apply for a free use firewood permit by emailing Steve Castillo - information can be found on our Fall River Special Road District website.

**Discussion about new road signs:**

- Two new road signs have been purchased and placed in strategic locations (Fall River Drive & Jack Pine) notifying drivers that these are private roads and that commercial trucks and firewood hauling is permitted only by and to Fall River lots. Cost of signs \$157.81

**Regarding cracks in road, River Loop Dr. - these will be fixed by late August**

**Meeting was adjourned at 11:30 AM**
