Fall River Special Road District Minutes

Tuesday, March 9, 2021 - 3 pm

The meeting was called to order at 3pm. Present were Rick Bestwick, Ron Brown and Bill Swanson.

February 10, 2020 meeting minutes were read and approved unanimously

Old Business:

AT&T cell tower update

-Nothing substantive as the permit application remains incomplete. When completed the County will schedule a hearing, expect an update at the next SRD mtg. Rick Bestwick offered to attend the hearing when scheduled and present the SRD's viewpoint regarding the impact to the roads from heavy construction equipment used to construct the tower.

New Business:

HOA contribution to the SRD

- The HOA has not made a contribution in 3 years. This generated a discussion on potential remedies including reduction of ongoing SRD expenses, primarily snow removal. Less frequent plowing was suggested (change to a 6" trigger, not 4"). Also, don't deal with the berms and let the homeowners remove their own berms. Bill will get an idea from John Sparks on the percent of current snow removal costs due to berm removal.

It was moved to adjourn and approved unanimously at 3:07PM.

Respectfully submitted,
Rick Bestwick
