### Fall River Special Road District Minutes

Tuesday, 10 May, 2022 - 3 pm

The meeting was called to order at 3pm. Present were Ron Brown and Rick Bestwick. Aileen Winge also attended as a representative of the Fall River Estates Firewise program. A quorum was declared.

#### Old Business:

-A bid for crack sealing this summer is being pursued by Ron Brown.

#### New Business:

- Fall River Estates Firewise (Greg McKeever) contacted Ron Brown regarding the SRD's participation in removing fire hazards from SRD right of ways.  
- A discussion followed regarding what involvement the SRD should have in this effort  
- A \$25,000 grant may be available to offset the cost of contract tree removal and trimming as deemed necessary by Firewise. According to Aileen Winge, the grant has not been finalized and is still in limbo.

- Ron, Aileen and Rick discussed what could be done and the proper approach to working with property owners to inform them of the effort and to get buy-in. Nothing substantive was decided other than the following:

- 1) Identification and marking of the SRD easement before the effort begins is necessary.
- 2) Proceed carefully based on the experience of the Forest View Special Road District (see attached Mar 24 Bend Bulletin article).

It was moved to adjourn and approved unanimously at 3:45 PM.

Respectfully submitted,  
Rick Bestwick
