FR SRD MEETING MINUTES for 11 October 2022

The meeting was called to order at 3:00 pm. Bill Swanson and Ron Brown were present. A quorum was declared.

Minutes from the previous meeting were approved.

Old Business:

The grant proposal for easement fuel reduction was submitted to the Deschutes Co. Forester on September 15, 2022

Still waiting for Deschutes Co. Sheriff Dept to loan us a Digital readout speed sign. Bill hopes whatever sign is provided will have photo capability so speeders can be confronted.

New Business:

The easement fuel reduction grant was not funded by Deschutes Co. The SRD was encouraged to resubmit next year as this funding cycle was focused on full reduction within 10 feet of structures.

River Forest Acres SRD meeting was held on September 28, 2022. It was a productive meeting discussing overlapping concerns of the two special districts. Future interactions will be pursued.

Snow removal insurance: Joleen called Ron and suggested we contact Brown and Brown and insure equipment that we lease from John Sparks and his Fall River Contracting Services. Bill will call Larry at SDIS to discuss this proposal. Monthly leasing will be pursued.

Respectfully submitted by Rick Bestwick
