### Fall River Special Road District Minutes

Tuesday, 13 Sept, 2022 - 3 pm

The meeting was called to order at 3:07 pm. Present were board members Ron Brown, Bill Swanson (by phone) and Rick Bestwick. Mike Armstrong (FRE HOA) also attended. Minutes from the 09 Aug 2022 meeting were read and approved.

#### **Old Business:**

Speed limit signs from Deschutes Co. were posted and installed by Rick and Ron. Notice to residents (Rick's email) was posted on the FRE SRD website and emailed to residents by Kay Korzon. No complaints regarding the speed change were received, only positive feedback.

Waiting for the Sheriff to provide a speed readout sign.

#### **New Business:**

Snow removal insurance is still an issue. We need to find outside insurance coverage, SDIS and the firm he uses are not viable options (too expensive). Snow removal is considered dangerous by insurance companies and they charge accordingly. Bill will check to see if making John a SRD Board member will trigger SDIS coverage. Also, Bill will approach Brown and Brown directly for coverage.

Discussion of the Cedar Creek Fire situation.

Discussion of future chip seal needs such as who to contract and when, three years out (2025) is the goal.

It was moved to adjourn the meeting at 3:33pm and approved unanimously.

Respectfully submitted by Rick Bestwick
