

## Official Spearfishing Scoresheet

### Notes:

- Only those species shown on this scoresheet are eligible.
- No unlisted fish. Only one of each listed species to be weighed-in per competitor.
- All fish weighed-in must be a MINIMUM of 1kg – this applies to all eligible species. Lengths in round brackets refers to minimum *legal* size.
- PARROT FISH - All parrot species must be gutted prior to weigh-in. Maximum of any 3 listed parrot species per competitor.
- MARLIN – only one marlin species allowed per competitor.
- SPANISH MACKEREL ARE INELIGIBLE – Unfortunately, given the new Qld boat limits Spanish Mackerel (*Scomberomorus commerson*) are not eligible for weigh-in.
- The event will be held as a Traditional Pairs / Open Boat Event.
- Standard Australian Underwater Federation scoring system is used to calculate each competitors **Personal Points**, namely 100 points per species, 10 points per kilogram of weight; and max weight of any one fish of 15 kg. Only one of each listed species to be weighed-in per competitor.
- Each **Pairs Points** will be the sum of each diver’s Personal Points.
- Competitors should be aware of the Queensland Fisheries combined possession limits:

CORAL REEF FIN FISH (blue section of the scoresheet) - Combined possession limit of 20 in total

CODS AND GROUPERS - Combined possession limit of 5 in total

CORAL TROUT - Combined possession limit of 7 in total
