Notes:

Standard Australian Underwater Federation scoring system is used, namely 100 points per species, 10 points per kilogram of weight; and max weight of any one fish of 15 kg. Only one of each listed species to be weighed-in per competitor, with the exception of Merit Fish.

Unlisted any species not listed will be decided by the Weighmaster for both eligibility and merit consideration

indicates **Merit Fish**, 2 merit fish allowed; bonus 50 points per merit species

* indicates fish is eligible for the **Pelagic Spearfishing Competition**
(15kg limit on weight does not apply to Pelagic Spearfishing Competition **so weighmaster to take weight of all fish**)

B indicates fish can only be weighed-in by **“B” Grade divers**.

JNR indicates fish can only be weighed-in by **Junior divers** (under 18) | Juniors are not required to meet the minimum weights on the scoresheet and are allowed to weigh-in fish from the scoresheet as long as they meet legal requirements for length.

Ineligible Species: All Barracuda; All Batfish; All Catfish; Cod (Goldspot Estuary, Barramundi, Black, Potato, Wirrah, Eastern Blue Devilfish); All Eels; All Flutemouth; All Garfish and Longtoms; Groper (Queensland and Blue); Maori Wrasse; Paddletail; All Rays; All Sharks; Red Bass; Chinaman Fish; All Surgeon*; Sergeant Baker; All Silver Drummer; All Sweetlips*; Teatfish; Trumpetfish; All unicorns (except Ringtail); All Spinefoot; All Angelfish; Remora; Mac Tuna; Crayfish; and Squid.
