Background:

The [Spearfishing Competition Rules](#) have been updated for the 2022 – 2023 competition year.

In the Open Spearfishing Championship all competitions are swum in Pairs Format. Prior to each competition day two divers of similar capability team up and nominate to compete together as a Pair.

To account for odd numbers on boats three divers can nominate to dive together. The various pairs combinations arising from this are recorded as:

- Diver 1 and Diver 2 score*
- Diver 1 and Diver 3 score*
- Diver 2 and Diver 3 score*

The Open Spearfishing Championship is conducted for the duration of the competition year (which commences 1 July each year). The competition year is broken up into 4 separate quarters with a maximum of 4 competitions per quarter.

The highest points score each competition for each Category is awarded 100%, with all other points being percentage benchmarked against that of the highest points score (*with the exception of the Pelagic Competition*). Each competition held during a quarter enables competitors in each Category to attain the highest points score and therefore be awarded a score of 100% in that Category.

At the end of each quarter the highest recorded percentage in any one competition held during the quarter is recorded for each Category as the best result for that quarter; as such it is possible for multiple competitors / pairs to record the highest percentage of 100% in any one quarter in a particular Category. In the event of a draw, the overall highest percentage points from all competitions during the year is used. ‘Zero’ total scores have generally been omitted from the results.

This year there were 8 comps held:

Q1 – 1 comp held | Q2 – 1 comp held | Q3 – 3 comps held | Q4 – 3 comps held
