“Leadership Larry” Mietus, Chief Excuse Obliterator®, is the Founder of Speaking of Strategy. He is an engaging speaker, business consultant, author, and media guest with a wealth of practical, hands-on experience. His expertise encompasses leadership development, organizational design, employee engagement, and sales and marketing strategies. His clients run the gamut from “Mom and Pop” businesses to international enterprises. He has inspired audiences at corporate events from stages in cities including Tucson, Las Vegas, and Orlando. He is a frequent contributor on LinkedIn. Larry has been quoted in **HR Magazine**, the most widely read and respected Human Resources publication in the world. He is the author of *“We Tried That Once” And Other Popular Excuses That Sabotage Business Success!* (Amazon, Barnes & Noble). This year he celebrates 15 years in business as a solopreneur.
