- Maintenance

## **Our Mission:**

To give all our customers the personal touch they deserve and offer a turn-key solution in all our expertise.

Our experienced and reliable team are committed to bringing out the best in each other and working in harmony with other trades.

We prioritise clear and effective communication with our clients, enabling us to establish strong working relationships and produce the best possible outcomes on every project. Our goal is to exceed our client's expectations at all times.

## **Our Core Values:**

- ☑ Use open communication to build good rapport with all our clients
- ☑ Provide value-for-money service at all times
- ☑ Maintain a relationship of trust and integrity within our team
- ☑ Ensure the safety of our team members, our clients and the public
- ☑ Operate a clean and tidy worksite at all times
- ☑ Maintain healthy ongoing business relationships with our valued clients

## **Our Vision:**

Our vision is to harness our team's collective expertise and passion so that we may continually produce outstanding work; always deliver our services in a timely, reliable and safe manner; and constantly innovate so that we know we are producing the best possible outcomes for our clients.

## **Our Company's Approach:**

We prefer to run our jobs smoothly, with minimal interruptions to tenancies and clients. We are reliable, on time and produce quality work.

## **Key People:**

Without a doubt, our people are our most valuable asset. Our aim is to combine our collective knowledge and experience to produce outstanding results for our clients.

### **Helgard Joubert**

With a National Diploma in Electronics and over 20 years' experience in business management, clients and customer satisfaction is his first priority.

### **Francois van Wyk**

With over 40 years of Millwright and Electrical knowledge, there is nothing he cannot design.

With over 40 years of Refrigeration experience, he is our HVAC professional.

### **Rita Joubert**

Our lady in finance with over 30 years' experience as a Financial Accountant with a Bachelor of Commerce with Specialisation in Financial Management degree. She is also a member of SAIT (South African Institute of Tax Professionals).

### **Stephanie van Wyk**

Stephanie is our office lady and sees to it that all runs smooth within our company.

### **Leon Botha**

With over 30 years' experience as Electrician/Site Manager, he is also a member of the Electrical Contractors' Association of South Africa and registered as an electrical contractor in terms of regulation 6(4) of the Electrical Installation Regulations with the Department of Labour. He is also DEHN qualified in Lightning Protection.

## **Teams**

We all have our dedicated teams working under us, and this gives us the ability to provide our clients a loyal and professional service.

## **Customer Service**

### **Communication**

We believe communication is a vital component of our client relationships. Keeping customers "in the loop" helps jobs to run smoothly and can eradicate potential issues.

Depending on the client's requirements, we use phone and email, as well as text when appropriate, to communicate with our clients. Communication is mostly every day, depending on the job at hand.

We also use our private phone numbers, so we can be reached any time of the day... or night!

## Track Record

In recent years, we've worked on a variety of projects. Our scope of work includes but is not limited to these projects.
