Glider Fun Fly's – Saturday August 22nd
Saturday September 19th
Saturday October 19th (Tentative)

Club Meetings – August 26th
September 30th

Message from our President

Fellow NIPMAC members,

It's great to see that we are making progress with respect to businesses opening during this Covid-19 pandemic. Starting from Friday, July 17th most of the province including northern area are moving into Stage 3 of the recovery plan. This is a major step forward in lifting restrictions on various activities. We should all be proud of our efforts to be safe, keep healthy and prevent community spread of Covid-19.

Under the Stage 3 recovery plan, the maximum number of people allowed in outdoor gathering is 100, and with two-metre (2m) physical distancing. Going from past records, attendance at any of our annual fun fly are usually in the 50s. Therefore, we should be good to hold our scheduled annual fun fly on August 15th. We'll have more than sufficient space for physical distance and meeting requirements from the Health Unit. This is good news for the club to resume club activities and get more member outdoor for fresh air and re-connect.

With everyone following prescribed protocols by the Health Unit, NIPMAC should be able to safely resume club outdoor activities.

Please see below details of monthly glider events, float fly events, monthly meetings, annual Fun Fly in August. Regular monthly meetings will resume at the flying field. The next meeting is on Wed. July 29th.

All attendees at NIPMAC's events shall comply with appropriate safety measures including two-metre physical separation, wearing of mask and use of hand sanitizers (as appropriate).

Covid-19 virus is still with us. We are not fully out of the woods yet. We are going to learn to live with it and continuing to practice effective preventative measures. This is crucial to preventing second wave and perhaps subsequent wave of this virus.

I look forward to seeing you all at the flying field.

Remain safe and healthy.

F. (Foley) Soroye

President, NIPMAC

Field Report

Flying field is in great condition and open for flying.

Please see below for schedule dates for Float fun fly and Glider fun fly events.

Happy to report that we still have a very generous sponsor for the glider event.

Treasurers Report

The club's finance is in good shape.

To date, we have 36 paid members. Anticipate 10 more members to pay up.

Free Flight

Have you ever tried flying airplane without mechanical power?

Do you wonder what Free Flight is all about?

Would you like to know more about rubber-powered model?

What are the best and simple planes for free flight?

Where do you get supplies for free flight planes?

You are in luck.

NIPMAC has a member that is very knowledgeable and willing to share his knowledge of Free Flight.

Should you wish to know more about Free Flight, Eric would be pleased to have a chat with you.
