To one and all,

It has come to the time when I will seek an apprentice, should any prove worthy. Any who deem themselves competent, may travel to my tower on the 29th morning of the 6th month and be judged. I have told the undead to allow your passage through the forest so have no fear, they will protect your entrance. Additionally, I will allow those without skill in magic to also compete, and of course, any sword swingers can beat themselves up as they wish for prizes.
