

CLASS HIGHLIGHTS

We are having so much fun during Halloween Week! Seeing everyone dressed up and enjoying the halloween games has been and is a blast!

The JC Staff are loving seeing all of the growth already happening this year. Our young classes continue to work on building the correct foundations for dance, and our older classes are working on choreography retention. Keep working hard JC Dancers!

NOVEMBER EVENTS

Bring a Friend week is happening this month the week of November 27th-30th. During this week, have your student bring their friend to take dance class with. Each student and their friend should dress up as twins and wear the same colors to class. We will be dancing the week away with our best friends and play a few friend games:) Your friend can be someone already in class or a new student (free of charge).

Don't forget November 20th - 23rd is Thanksgiving Break and there will be NO Classes held this week.
