

CLASS HIGHLIGHTS

Each month, teachers will have the opportunity to submit fun stories and exciting improvements happening in their classes. These stories will be shared here for you to enjoy and read about the awesome things your students are doing in class every month.

OCTOBER EVENTS

We are now through our first month of classes and each student has put up their about me card on the about me wall in the lobby, showcasing their goals for this year.

Halloween week is October 24th - 28th. Have your student(s) dress up in their Halloween costume for class! We will have fun halloween dance games and a special treat at the end of class :)
