

# Liberty Collies Puppy Reservation Form

Due to the overwhelming demand for our babies, we will now be accepting advanced deposits. We are very excited to find homes for our puppies before they are even born. This is a blessing that they will see for their entire lives -- a family who is patiently awaiting their arrival to love and care for them!

Please read and fill out the following information in order to reserve your puppy and return to [inquiry@libertycollies.com](mailto:inquiry@libertycollies.com) or mail to: 660 Wards Chapel Rd. Gleason, TN 38229.

## Guidelines:

1. Your advanced reservation fee in the amount of \$250 will hold a puppy for you from one of our upcoming litters. This will be deducted from your total puppy price.
2. You must have a puppy application filled out at the time of deposit (or shortly after) in order to have a valid spot held for you for an upcoming litter. You can do this on our website at [www.libertycollies.com](http://www.libertycollies.com).
3. Deposits are non-refundable unless your application is denied.
4. We do not guarantee any color or gender to be available in any specified time frame.
5. Your deposit will be kept for up to 3 years in order to allow you to find the perfect pup. If after 3 years, you have not found the puppy you desire, your deposit will be kept and no longer be valid. A new deposit must be placed in order to remain on the waiting list.
6. If you choose not to pick one of the puppies from the current litter, your deposit will be carried over to the next litter, and so on, until the expiration date after 3 years.
7. When we start allowing those on the waiting list who have paid their deposits to pick a puppy, I will contact the first person (oldest date of contact) first. Each person will have 24 hours to choose their pup or pass. We generally start this process around day 5-7 to ensure pups are healthy.
  - a. If your chosen pup is found to have a health issue (heart murmur, etc.) at the 6 week exam, you may pass and pick another puppy if available or wait until next litter, or possibly be offered a discount. (Umbilical hernias DO NOT qualify.)
8. After choosing your puppy, you can either pay your remaining balance on that date, or pay the balance due when you pick up your puppy.
