Independent Practitioner's Review Engagement Report

To the Members of
Friends of Madge Lake, Duck Mountain Park Incorporated

We have reviewed the accompanying financial statements of Friends of Madge Lake, Duck Mountain Park Incorporated that comprise the statement of financial position as at December 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Friends of Madge Lake, Duck Mountain Park Incorporated as at December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

1. Description of business

Friends of Madge Lake, Duck Mountain Park Incorporated ("the Organization" or "FOML") was formed on November 1, 2017 and was incorporated under the Non-Profit Corporations Act of Saskatchewan. The Organization has no share capital, the liability of members is limited and no distributions to the members can be made. The Organization was granted registered charitable status on January 11, 2022.

The Organization's mission is to identify valued projects in Duck Mountain Provincial Park ("the Park" or "Madge Lake"), raise sufficient funds to fulfill the Organizational goals and work toward enhancing the Madge Lake experience.

The Organization works with volunteers to enhance and maintain the Park in collaboration with Park administration.

2. Significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") and include the following significant accounting policies:

Use of estimates

The preparation of the financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions and donations are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions and donations are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donations, fundraisers, and sponsorships are recorded as revenue in the statement of operations when amounts are received. If amounts received have restrictions or stipulations, they are recorded as deferred revenue in the statement of financial position.

Commission on vendor sales are determined by vendor agreements. Vendors provide their product to the Organization. When product is sold, the Organization earns a commission and remits the remainder of the proceeds on sale back to the vendor. Any unsold products are given back to the vendors at year-end.

Other revenue is recognized when goods are sold or services are rendered and the amount to be received can be reasonably assured.

2. Significant accounting policies (continued)

Restricted funds

The Board of Directors restricts funds for specific projects from time to time. These amounts are reported separately in the net assets section of the statement of financial position. Restricted funds are used for capital or other projects in the Park. Funds spent on Park projects are expensed in the statement of operations as any asset constructed belongs to the Park.

Facility costs

The Organization operates a craft store out of a log cabin in the Park. The log cabin is owned by the Park. The Park allows the Organization to use the cabin at no cost. No amounts in these financial statements have been recorded for the Park allowing the Organization to operate in its log cabin. All improvements to the property were made by the park and FOML volunteers and are recorded as expenses in the statement of operations.

Capital assets

Capital assets are recorded as expenses in the year they are acquired.

Cash

Cash is comprised of cash held within bank accounts.

Financial Instruments

The Organization measures its financial assets and liabilities at fair value. The Organization subsequently measures all its financial assets and liabilities at amortized cost. Changes in fair value are recognized in the statement of operations.

Contributed services

The Organization would not be able to carry out its activities without the services of the many volunteers who donate labor hours. These contributed services are not recognized in the financial statements.

3. Commissions

During the year, the Organization earned \$25,164 (\$21,612 in 2022) in commissions resulting from total vendor sales of \$87,481 (\$74,432 in 2022) and total vendor expenses of \$62,317 (\$52,820 in 2022).
