

December 2025

Dear SCPC family:

As the year draws to a close, I find myself reflecting on the incredible things God has done through the Shenandoah County Pregnancy Center through faithful friends like you.

As of this writing, thanks to your generous support, we've had the privilege of ministering to 181 moms and dads and celebrating the arrival of 23 precious babies. With 15 more little ones expected before the end of the year, the impact continues to grow and this is only the beginning of what God is doing through this ministry.

While statistics provide valuable insight, they only tell part of the story. Each number represents an image bearer with unique needs and an equally unique story. The true measure of SCPC's impact is found in the personal journeys of the women and men who walked through our doors feeling uncertain, overwhelmed, and afraid. Through compassionate support and practical resources, they become equipped and empowered and made ready to embrace carrying their children to term with courage and confidence.

When asked "What do you like best about the SCPC?", here are some answers we received from our families:

- Getting to learn more about caring for our baby and myself as the mother
- The conversations felt personal
- The first time walking in they seemed as if they had known us forever
- They seem to genuinely care about others.
- You are not alone through your journey to becoming a parent

Each story of courage, each heart opened, and each journey of transformation begun is a direct result of your prayer and generosity. We believe God is just getting started.

As 2025 draws to a close, we invite you to consider a year-end gift to the Center. **Your generosity will help ensure that our life-affirming programs and initiatives continue into the new year even as we face an \$18,000 shortfall from our Walk for Life fundraising goal.** Every gift makes a difference and helps us move forward with our current programs and initiatives with confidence and purpose.

Looking ahead to 2026 and beyond, we are prayerfully preparing to expand the ministry to include medical services such as ultrasound and prenatal care. As we begin drafting a feasibility study, **we envision a**

**future where every woman not only hears the truth about the precious life she carries, but also feels fully supported—emotionally, physically, and spiritually—throughout her pregnancy journey.**

Our hope is that she will experience Christ's love in action, every step of the way.

While the feasibility study will not be complete until after the new year, there are equipment and start-up expenses that we know we will incur. Some anticipated costs for ultrasound and prenatal care include:

- Weight scale
- Devices for vitals—blood pressure, pulse oximeter, thermometer
- Handheld doppler
- Centrifuge
- Medical refrigerator
- Medical exam table
- Ultrasound machine
- Patient data system set-up
- Furniture and equipment for office space and waiting area
- Renovations to the acquired space
- Medically trained professionals

This vision is big and it is bold. And it will take all of us.

Let's build this future together. **Would you prayerfully consider making a year-end gift to help us continue current programs as planned and take the next steps for planning the future?** Your support now will help sustain the current ministry and lay the foundation for expanded services we hope to launch in the years to come.

Whether you've given recently or it's been some time, your partnership matters. Every gift is an investment in God's work of renewal, as He continues to use SCPC to shine the hope-filled light of Christ into dark situations and circumstances in our community.

From all of us at SCPC, thank you. Thank you for praying and for being a part of God's answer for Shenandoah County.

We wish you and your loved ones a very Merry Christmas and Happy New Year. May your season be filled with peace, joy, and the hope we celebrate in Christ Jesus.

With heartfelt gratitude and hope for the future,

A handwritten signature in cursive script that reads "Lisa".

Lisa Schroeder  
Executive Director

P.S. All gifts made by December 31 are tax-deductible and will go directly toward shoring up our current programs and launching new initiatives.  
Thank you!
