SCPC Spring Celebration

A Tremendous Success!

Thank you for making the Shenandoah County Pregnancy Center's annual Spring Celebration and Fundraiser such a huge success! The venue was alive with joy and excitement—more like a homecoming than a fundraising event! We fellowshiped around the table and enjoyed beautiful music, an inspirational message by our guest speaker, the personal testimony of our abortion recovery leader, and a vision that was cast for the future of the SCPC. At the end of the evening, everyone was given a chance to support the mission and ministry of the SCPC.

Thanks to your generosity, we raised over \$67,000 to support the life supporting mission and ministry of the SCPC. This is \$12,000 more than our goal. WE ARE SO GRATEFUL TO YOU!

Many guests shared that they were energized by the vision set forth and the call to pray for the Lord to light the future path of the ministry. And so for those that were unable to attend, here is what was shared.

Our culture is dark and it has become increasingly difficult to engage women and men in our community that are vulnerable to abortion. But we stand confidently in the truth that light shines on! To continue to be relevant and engage women and men, the SCPC must adapt.

With our mission critical client in mind, the Board of Directors has accepted the Lord's invitation to consider the addition of two life-affirming initiatives to add to our already robust life supporting services: prenatal to postnatal care that includes ultrasound and a maternity home.

New initiatives to reach those who are vulnerable to abortion will require a renewed and unified effort from those of us that believe that life is sacred and worthy of protection. Thank you for praying with us as we consider the long-term vision of the SCPC and ask the Lord to help us see His vision for the future.

If you haven't had a chance to give, you are invited to do so and link arms with others who are looking to the future and giving a nod to adapting services to better engage those in our community who are vulnerable to abortion. You can give your gift on-line at www.supportscpc.org and click on the "Donate" button at the top of the page.

The light shines in the darkness and the darkness has not overcome it. John 1:5

We are hiring!

The SCPC is hiring an Events/Community Relations staff person that is a committed follower of Jesus, with a missionary mindset and a genuine burden for the lost, and who is dedicated to the sanctity of human life. Primary role is planning, organizing, promoting, and executing events for the SCPC in keeping with the ministry's mission and vision. This position also works alongside the Executive Director communicating a positive image of the SCPC in Shenandoah County to increase awareness of the ministry. This 30 hour/week position requires the right mix of spiritual maturity, education, experience, and skill. Those interested must complete an employment application, provide a resume along with character references, and submit to a background check. Please call Lisa at the Center for more details. 540.984.4673

Looking for a summer project?

If you, your family, or church group are looking for a summer project, our sheds need a coat of paint! Call Lisa at the Center for details. 540.984.4673
