

2025 Walk & Ride for Life: A Tremendous Success But We're Not Done Yet!

Shenandoah County Pregnancy Center

We are overjoyed to share the highlights of our 2025 Walk & Ride for Life fundraiser, held on Saturday, September 27th. Thanks to your overwhelming generosity, we raised over \$36,000!

About one hundred participants joined us for a day filled with fellowship, food, inspiring messages, a ministry update, and fundraising. It was a powerful celebration of life, community, and God's faithfulness.

While we celebrate this incredible outcome, we also want to share that we did not reach our budgeted goal of \$55,000. There is still an opportunity to help us close the gap and fully fund the mission and ministry of the Shenandoah County Pregnancy Center.

Every dollar raised goes directly toward inspiring abundant life choices through Christ-centered compassionate support, practical education, and essential resources for women and men facing unplanned or under-resourced pregnancies right here in our community.

We are deeply grateful for each participant, volunteer, donor, sponsor, and guest who made this event possible. Your support is transforming lives and generations to come.

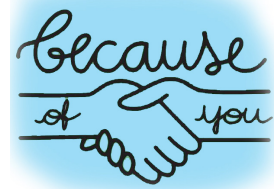

A big thank you to Food Lion Mt Jackson, HandiMart Woodstock, Sheetz Mt Jackson, and Sheetz Woodstock for helping to provide breakfast for our Walk & Ride for Life.

It's not too late to give! If you would like to contribute, visit <https://supportscpc.org/> and click the Donate tab. You can also check out more photos and top 5 churches and walkers on our website. Check back regularly for updates and future opportunities to get involved.

While numbers and metrics are important in the life of a ministry, statistics only tell part of the story. Each number represents a unique image-bearer of God. And each person has needs and a unique story.

Because of your faithful support and prayer, the SCPC is a safe place in our community where the weak and the vulnerable are welcomed with compassion, treated with dignity, and reminded that God is still writing their story. Women and men facing unplanned pregnancies. Women suffering silently from a past abortion decision. Moms and dads struggling with the enormous task of parenting. Each seen, heard, and deeply loved.

You are our cherished ministry partner and we couldn't do it without you. We are so grateful for you!

Celebrating Milestone Years of Remarkable Service

This year, we are privileged to recognize three extraordinary Client Advocate Volunteers whose faithful service has deeply impacted the mission of SCPC. We celebrate Jenny Kibler and Sheila Fink, (pictured right) who have each dedicated 15 years of faithful service, and Holly Dodd, who has faithfully volunteered for 10 years. Their compassion, consistency, and tireless efforts have touched the lives of countless moms, dads, and families in our community.

Thank you, Holly, Jenny, and Sheila! Here's to many more years of sacrificial service!

Giving Tuesday

Mark your calendars for Tuesday, December 2nd. Giving Tuesday is right around the corner! I'm thrilled to share that your gift will go even further this year thanks to the Shenandoah Community Foundation Giving Tuesday matching gift fund. Whether you're able to give \$5 or \$500, your generosity will be multiplied for greater impact.

This year, we hope to raise \$2,000 to stock our Baby Boutique and New Baby Gift Bags. Your support will provide essentials like: children's clothing, pajamas, newborn mittens, pacifiers, sippy cups, diapers, wipes, books, and more. Your support meets real, practical needs and reminds families that they are seen, valued, and deeply loved.
