A Joyful Celebration: 2026 Walk & Ride for Life Brings Fun and Success

Sharing Hope
Shenandoah County Pregnancy Center

We are absolutely thrilled to report that on September 26th over 130 participants came out to walk and ride for life, raising over $61,000! Thank you to every individual, business, and church who generously shared their time and resources to make our Walk Fundraiser a resounding success. God's faithfulness and kindness abounded in our morning together.

Many families face overwhelming obstacles to life-affirming pregnancy decisions and positive parenting support. Our Walk for Life donors and volunteers assist to break down these obstacles and enable women and men to receive accurate information and Christ-centered, compassionate care when they need it most. Every dollar raised directly supports this mission.

Our speaker Becky Cooper, a lifelong resident of Shenandoah County and devoted public health nurse, school nurse, and school nurse coordinator, shared her first hand experience regarding a profound decrease in maternal health care services and education offered in Shenandoah County during her career of 50 years. Becky stated, "Over the years [those services] diminished because of state funding and staffing, meaning mothers have to travel outside the county to deliver their babies. Limited prenatal care is still available locally, but we should be moving forward, not losing resources that families need."

The Pregnancy Center is solidly situated to fill that gap as we look to the Lord for wisdom and guidance. Our strategic vision includes offering pregnancy testing and limited obstetric ultrasound by fall 2027, with prenatal care expanding in phases over the following years. Please pray with us. Our hearts are overflowing with gratitude and love for you, our participants, volunteers, sponsors and donors!

Thank you! All of this is possible because of your faithfulness and generosity!

If you have not had an opportunity to give, you can use the QR to the right or go to supportscpc.org.

A huge thank you to our breakfast sponsors!

Choosing Life Is Just the Beginning

The Walk for Life may be over, but the reason we walked continues every day at the Shenandoah County Pregnancy Center. **Because of friends like you, women and couples facing unexpected pregnancies know there is a place where they will be welcomed and supported.**

Recently, two women came through our doors facing unexpected pregnancies. Their circumstances were very different, but both were at a pivotal moment. Both chose to carry their babies and both found a community ready to stand with them for what comes next.

One woman came with her partner. She had experienced a chemical abortion at 17 and knew she did not want to experience that again. Her partner was frightened and unsure if he was ready to become a father. While our staff met with her, a volunteer male advocate sat down with him, listened without judgment, answered questions, and gave him space to voice his fears and consider what fatherhood could mean for him.

Another young woman came with her mother, who had instilled in her from an early age the value of every human life. That conviction is guiding her now as she chooses to carry her child. She knows the road ahead will not be easy, but she left knowing she and her mother have a community at SCPC ready to help them navigate what lies ahead.

This is why your partnership matters. Choosing life is not the end of the story but a new beginning. Your generosity makes it possible for SCPC to meet women and men in those pivotal moments and provide the practical care and compassionate support they need to move forward. **Thank you for helping ensure that when an unexpected pregnancy changes everything, women and men have a place to turn, people who will listen, and the hope of Christ to carry them.**

Baby Bags · Baby Boutique · Big Impact
Giving Tuesday: Tuesday, December 1

When an expectant mother walks through our doors, she often feels overwhelmed by the road ahead. She worries about how she will afford the basics. Through our **Baby Boutique**, she will find clothing, pajamas, onsies, socks, shoes, bottles and more. And when her delivery day arrives, we send her home fully equipped with a **New Baby Bag** packed with newborn essentials. This Giving Tuesday, our goal is to raise $3,500 to fully stock our shelves and fund these necessary welcome bags. Will you help us pack a bag or fill a rack today? Watch email and social media for how you can participate!

Client Care Director Position Available

The Client Care Director provides leadership for our client services and program operations and helps shape the care that we provide to women, men, and families in our community. We would be grateful if you would prayerfully consider whether this role may be a fit for you or someone you know. Reach out to Lisa for the position description and application details at scpc.lisa@gmail.com.

Thank you to Glen Turner and his team at Mountain Valley Home Comfort for donating a mini-split for our pregnancy counsel room. We are so grateful for their generosity!
