

SCSH Pickleball Club – Event Descriptions

All events, lessons and classes are “FREE” to SCSHPC members

Open Play

(Open to all skill levels)

Open Play is open to all club members, at all skill levels. Put your paddle-up, play and have fun.

Newbie's Note: If you are a beginner- 2.0 player, please let the players you are paddling-up with know you are a beginner. This way they will adjust their level of play accordingly.

No court host.

Group A/B Schedule

(Please refer to our “Group A/B Schedule” for the courts designated to your skill level)

Group A has a skill level rating of 3.5 and above, whereas Group B has a skill level rating of 2.0 – 3.0. To be fair to both groups, weekly alternating courts are in place. Please refer to our “Weekly Court Schedule” for the current schedule. One week, Group A has the use of courts 1-5 and Group B as the use of courts 7-10. The next week, Group A as the use of courts 7-10 and Group B has the use of courts 1-5. Depending how busy the courts, if the group on courts 7-10 has people waiting and the other group does not, they may ask to use court 5 to help with the overflow (Group B is on courts 1-5 but with few players so no waiting, Group A is on courts 7-10 with all courts full and multiple players waiting to play, Group A may then ask to use court 5).

No registration required.

Social Play, All Levels

(Open to all skill levels)

Social Play events are AMAZING! Filled with fun loving pickleball players of all skill levels. This event is played "Paddles-Up", so you will meet and play with EVERYBODY!

Newbie's Note: If you are a beginner- 2.0 player, please make the players you are paddling-up with aware of your skill level. This way they will adjust their level of play accordingly.

No registration required.

Instruction Program

(May be designated a gender specific, mixed and or specific skill level event)

Lessons are given in a group setting, led by a volunteer pickleball instructor. Classes usually include skills, drills, practice, strategies and theory, and live game play to reinforce and integrate all of these elements. Bring your own paddle.

Registration is required.

Round-Robin

(May be designated a, gender specific, mixed and or specific skill level event)

Round-robins are great fun, because every participant plays against all other participants. **Please make sure you can make it to the event before registering.**

Registration is required. If you can't make it, please cancel 24/Hr. prior.

Buckets

(May be assigned as a gender and or specific skill level event)

Buckets refers to a style of competitive play where two paddle containers (Buckets) are used to identify the Winners and the Runner-ups. All players start in the Winners bucket. At the end of each game the winners' paddles are placed in the back of the "winners' bucket" and the runner-up players will place their paddles in the back of the "runner-up's bucket." As courts become available, the court host will pull 4 paddles – alternating between the two buckets. Players switch partners in each game giving everyone the opportunity to play with different players while competing against others with similar skills.

No registration required.

Hosted Drilling

(Court time open to a specific skill level)

Hosted Drilling is court time that is available for practice at the designated skill level and time posted on our club's "weekly schedule..

Registration is required.

League Play 3.0 – 3.5

(Competitive play with other local Coachella Valley pickleball clubs. May be designated a gender, mixed and or specific skill level event)

Registration is required.

Challenge Court

A morning of competitive play to partner up and test your game on a ratings based Challenge Court 3.0, 3.5, or 4.0+. It allows advanced players at each rating level the opportunity to play competitive games and provides players desiring to advance their skill level the opportunity to test their game at the next skill level.

No registration required.
