

Lessons

Group Lessons are an integral part of Player Development at our club. We have a team of volunteer instructors willing to share their experience and knowledge with players at every skill level from the new to seasoned player.

- Our lessons are offered in a group setting with players of the same skill level rating.
- Lessons are designed for your current club rating: Beginner, 2.5, 3.0, 3.5 and 4.0.
- Class size is limited and registration is required.
- We offer 3 sessions during the winter season, November - March.
- The session is comprised of 4 weekly lessons.

In each lesson skills are introduced, practiced through drills and applied to game play. A player is not expected to perfect skills within a 4 week lesson session. Developing your pickleball game takes time and practice. Most people stay at a ratings level for 12 months or more before developing consistency in order to advance their level of play. Experience shows the higher your rating the longer you stay at that level of play.

Class size is limited and demand is high for our 400+ member club. Therefore we ask that you **commit to attend all 4 lessons** the session you register for. Excused absences are limited to unexpected injury, family emergency or illness. An unexcused absence or no show will result in losing your spot to a player on the waiting list.

Before registering for a lesson session check your calendar and make sure you can attend all 4 weeks of the lesson session. Lesson sessions are 4 lessons held weekly with a built in extra week for lesson cancellations due to unexpected circumstances (wind, rain, court maintenance, etc.).
