A minister was stopped at the end of a meeting with an urgent request for help by a lady, to come to her home. She explained that since the family had discarded a ouija board, they had been using to amuse themselves, strange sounds had been heard in their home. The sound of footsteps, the rustling of clothes in the closet, the twisting of a crucifix in the hands of her girls as they prayed for relief from this strange series of events had brought terror to the hearts of the entire family. After close investigation, the minister had ample proof that there had indeed been strange things happening in that house. It was more than just the over active imagination of teenagers. What caused these strange noises and sounds? The Bible has the answer to this question. It is evident that there are mighty forces at work in this world today trying to capture the minds and allegiance of every man. One of these forces is lead by God, who tries in every way to bring His children to a full knowledge of His will. God has a countless number of angelic messengers who are sent to minister to His children. The Bible tells us that there is another power, called Satan. With one-third of the angelic host under his direction, he seeks to mislead, deceive and destroy God's children. Only as we study the Word of God and know of the deceptions to be used by this sinister power will we be able to escape his wiles. Let us discover the truth about Spiritism.

14. Whom should we consult in regard to our salvation and forgiveness of sin? **Isaiah 55:6-9** - _____

The prophecies of the Word of God that deal with this age speak about great deceptions. The Devil knows that he has but a short time to finish his work of deceiving. We must be on guard. Saul, who had lived so close to God for a time, in desperation turned to a medium in order that he might know of the future. His was a tragic end. Satan told him what he wanted to know and then outlined the events that would make him a suicide. He lost not only his life on this earth, but also a place in the Kingdom of God. God in His Word has warned each person of the dangers involved in dabbling with a medium or a witch who purports to be able to communicate with the dead. As we have already seen, "the dead know not anything." They are unconscious, in a state of sleep...

If the dead are in a deep sleep as the Bible states, then these spirits are unmasked in the Bible as the spirits of devils, who seek to deceive. We have no need to seek advice from the Devil, the father of lies. the enemy of our heavenly Father. God is waiting, willing and ready to share with us a knowledge of the Truth about the universe. **Let us turn to God when we need information and receive the truth from our God and His Word.**

I will turn to God and His Word for knowledge of the dead.
