RECREATION & FITNESS

WARRENTON AQUATIC & RECREATION FACILITY (WARF)

Senior rates begin at **age 60**. Fauquier County resident rates require proof of residency.

Fauquier County Resident	Adult	Senior 60+
One-Day Pass	\$8	\$7
Monthly	\$70	\$60
25-Visit Pass	\$170	\$140
Annual	\$535	\$425

Annual senior pricing is \$110 less than the Fauquier County adult annual rate.

Before joining any fitness facility, check the insurance benefit on the next page.

BEFORE YOU PAY FOR A GYM

CHECK YOUR MEDICARE-RELATED INSURANCE BENEFITS FIRST

Original Medicare does not cover ordinary gym memberships. However, Medicare Advantage plans, other Medicare health plans, and some Medicare Supplement (Medigap) policies may offer fitness programs, memberships or discounts as extra benefits.

Call the Member Services number on the back of your plan card and ask:

“Does my plan include a fitness or gym membership benefit?”

Then ask:

“Which participating gyms are closest to my home?”

Programs offered by some plans may include names such as SilverSneakers®, Renew Active®, Silver&Fit;® or One Pass™. Eligibility and participating facilities vary by plan.

WHY CHECK?

A \$30-\$60 monthly gym membership costs **\$360-\$720 per year**. If your plan already provides comparable access, that may be money you do not need to spend.
